

Supplier's Declaration
Directive 2009/148/EC on the protection of
workers from the risks related to
exposure to asbestos at work

Stäubli Electrical Connectors (hereinafter referred to as "STÄUBLI") is aware of Directive 2009/148/EC on the protection of workers from the risks related to exposure to asbestos at work. STÄUBLI has every intention to contribute to the continuing process for obtaining a cleaner, healthier, and safer environment. We are continuously improving our products and processes.

We declare that our products do not contain asbestos fibres which would expose your workers to the harmful fibres.

The information contained in this statement is based on our knowledge and belief as of the date of this statement. We base our knowledge and belief on information provided to us by third parties (suppliers of raw materials or components) and make no representations or warranties as to its accuracy and assume no liability for the consequences of its use. We have taken and will continue to take reasonable steps to provide representative and accurate information. This document will be updated when the requirements or information change in a way altering the content of this statement.
